

# > IIAS Fellows

## 15 March 2004 – 15 July 2004

The IIAS hosts several categories of postdoctoral researchers (fellows) in Asian Studies. Sponsorship of these fellows contributes to the institute's aim of enhancing expertise and encouraging the exploration of underdeveloped fields of study. One of the main objectives of the IIAS is to mediate in establishing contacts in the field of Asian Studies and to stimulate cooperation between national and international scholars and institutes. The IIAS consequently offers universities and research institutes the opportunity to benefit from the knowledge of its resident fellows. In terms of their scholarly contribution to the IIAS, fellows are invited to present lectures, participate in seminars, and cooperate in research projects. IIAS fellowship applications can be submitted at any time (no application deadline).

More information and an IIAS fellowship application form are available at:
