ACCOMMODATION

Participants are requested to book and fund their own accommodation during the conference. We would like to suggest a number of hotels in Leiden with which we have a good experience. Naturally, you are free to book the hotel of your choice.

The rate of the rooms as mentioned below are based on single rooms per person per night. The prices are valid *until 30 September 2013*. Please note that booking before this date is advisable in Leiden due to the small number of hotels. We cannot guarantee availability of rooms at these hotels.
