

> IIAS Fellows

15 March 2003 – 1 July 2003

The IIAS accommodates postdoctoral researchers in Asian Studies in a variety of categories. Sponsorship of these fellowships contributes to the institute's aim for augmenting expertise and bolstering the exploration of underdeveloped fields of Asian Studies in the Netherlands.

One of the most important goals of the IIAS is to share scholarly expertise by offering universities and other research institutes the opportunity to benefit from the knowledge of resident fellows. IIAS fellows are invited to lecture, participate in seminars, cooperate on research projects etc. The IIAS is most willing to mediate in establishing contacts and considers both national and international integration of Asian Studies to be very important objectives.

The IIAS wants to stress the cooperation between foreign researchers and the Dutch field. With regard to the affiliated fellowships, the IIAS therefore offers to mediate in finding external Dutch funding, should the scholar have not yet found ways of financing his/her visit to the Netherlands. For more information, please refer to the IIAS fellowship application form, which can be obtained from the IIAS secretariat or can be found at: www.iias.nl/iias/applform.html

The IIAS distinguishes six categories of fellows:

1. Research fellows

- a. individual
- b. attached to a thematic research programme, i.e.: 'Changing Labour Relations in Asia' (CLARA); 'Islam in Indonesia: The Dissemination of Religious Authority in the Twentieth Century'; 'Transnational Society, Media and Citizenship'; 'Syntax of the Languages of Southern China'; 'Indonesianisasi and Nationalization'

2. Professorial fellows

Professorial fellows are attached to the IIAS to lecture at universities and institutes in the Netherlands.

3. Visiting exchange fellows

The IIAS has signed several Memoranda of Understanding (MoU) with foreign research institutes, thus providing scholars with an opportunity to participate in international exchanges.

4. Affiliated fellows

The IIAS offers office facilities to excellent scholars who have found their own

financial support and who would like to do research in the Netherlands for a certain period. The IIAS furthermore mediates in finding funding for those who have not yet secured means to cover their fellowship expenses (please also see the application form).

5. Gonda fellows

Annually, the IIAS offers office facilities and living accommodation to five fellows selected and co-funded by the Stichting J. Gonda Fonds (KNAW). Please check the KNAW website for information and the application form at www.knaw.nl

6. Research guests

The IIAS can offer office facilities to excellent scholars who would like to visit the institute for a short period.

Both IIAS affiliated fellowship applications and requests for IIAS mediation for funding post-PhD researchers can be submitted at any time (no application deadline).

Hereunder you will find, ordered by region of specialty and in alphabetical order, the names and research topics of all fellows currently engaged at the International Institute for Asian Studies. Mentioned are further: country of origin, period of affiliation, kind of fellowship, and if applicable funding source/co-sponsor.
