The Amsterdam School for Social science Research (ASSR) and Asian Studies in Amsterdam (ASiA) are proud to announce the launch of the Wertheim lecture website at <http://www.iias.nl/asia/wertheim/>. All previous Wertheim lectures will be available in pdf format for public reference and class use.

The Wertheim lecture was initiated by the ASSR in 1990 in recognition of W.F. Wertheim's major contributions to the European tradition of historical-sociological research on modern Asia. Starting 2006, the annual Wertheim-lecture is jointly organised by the ASSR and ASiA. The ASSR (www2.fmg.uva.nl/assr/) is a national research school and a research institute of the University of Amsterdam where social scientists cooperate in multi-disciplinary research. ASiA is an initiative of the Board of the University of Amsterdam and the International Institute for Asian Studies (IIAS) in Leiden. ASiA's goal is to stimulate, facilitate and broaden research activities on Asia in Amsterdam, and to make the outcomes and insights of research accessible to a wider audience.
