

# Asian Studies. Newest Titles. Latest Reviews.

*Newbooks.asia* is the go-to Asian studies book review site, administered by IIAS, in cooperation with the institute's academic periodical, *The Newsletter*. The site lists the newest publications in the field of Asian studies and makes them available for review. All reviews are posted online, whilst a lucky few also make it into *The Newsletter*, which is published three times a year (with 50,000 readers worldwide).

New additions to the site are announced through [www.facebook.com/NewBooksAsia](http://www.facebook.com/NewBooksAsia), *The Newsletter* and *The Paragraph*. *The Paragraph* is *newbooks.asia*'s digital monthly update, informing its 20,000 subscribers of the newest reviews, available review titles, and a selection of publisher and book news.
